DEVELOPMENT

With the support of Darrell Faulcon (Regional Director of Development) as a dedicated resource during the ramp-up phase, we have been able to make tremendous strides towards the completion of the Alabama Board of Nursing. This application has recently been tested by ABN and changes are currently being made in the format to ensure the application is tested prior to the contractual deadline. Also, development is currently working on prepping the code for Alabama Secretary of State's Online UCC Filings and finishing the demo application for Alabama Wildlife and Freshwater Fisheries.
